Dear Valued Partner,

Thank you for choosing **PayFast**, Pakistan's first Merchant Service Provider (MSP) for **Raast P2M** payments. As a State Bank-licensed and regulated PSO/PSP fintech, we are committed to providing your business with a seamless, secure, and efficient digital payment experience.

Our Services

PayFast offers a complete suite of digital payment solutions tailored for your business:

- **Secure Payment Gateway** – PayFast powers over 70% of Pakistan's eCommerce market, positioning itself as a leading payment solution provider, supporting 3D-secured cards, Raast direct debit, bank accounts, and mobile wallets.
- **Paylink** – Generate secure payment links to share via SMS or email—ideal for merchants without a website.
- **Billing** – Automate recurring payments with our smart invoicing tools.
- **POS** – Accept digital payments in-store with our Point-of-Sale terminals.

Website Requirements

Before we proceed, please ensure your website meets the following criteria:

- Clearly displayed **Privacy Policy**, **Return/Refund Policy**, and **Shipping/Service Policy**
- **Terms & Conditions** section is accessible
- A local office address and contact number are visible
- At least 7–8 listed products or services

Once these requirements are met, you will receive a **sign-up link** to begin your onboarding and document submission.

Ready to Proceed?

If your website aligns with the above requirements, please reply to this email with "**Acknowledge**" to proceed.
